

We invite you to become a Step Up Celebration sponsor!

Steps to Success invites you to join us in celebration of our 25th Anniversary as a sponsor of the Step Up Celebration (**April 15, 2026 at 6pm**).

In addition to tickets, sponsors receive recognition benefits in event materials and communications, as well as in the program and on social media.

Please fill out and return the enclosed response envelope, or contact our team at sts@stepstosuccessbrookline.org to make a pledge or discuss the right sponsorship option for you.

Our Mission

Steps to Success ("Steps") is a Brookline nonprofit creating pathways to success for over 350 students from low-income families. Starting in elementary school and continuing through college, Steps closes the opportunity gap by expanding our students' horizons, building upon their skills, and supporting their educational journey in order to maximize their life choices.

Our Students

Most Steps students live in Brookline Housing Authority or subsidized housing. Many live in single-parent households, and the majority are students of color.

Our Approach

Our staff work closely with each student, supporting them at every step of their educational journey. From afterschool programs and outdoor opportunities to internships and college advising, Steps' holistic program model empowers students to discover their strengths, pursue their goals, and shape their own paths forward.

Our 25th Anniversary

Since 2001, Steps has provided guidance, resources, and community to over 5000 students. Your investment in our mission enables our team to continue driving positive change while meeting the unique needs of our community. **Will you help Steps build a more equitable Brookline for generations to come?**
